Causeway

A path to the future

ABOUT CAUSEWAY

Causeway provides housing for women who are pregnant or have a pre-school child and who are living in unsuitable accommodation. We can occasionally accommodate mothers with more than one child.

ABOUT THE ACCOMMODATION

Causeway offers a clean, affordable home for up to 18 months. It provides a period of stability for mums to be independent in a homely atmosphere; a breathing space to plan for the future.

You will have your own comfortable room with plenty of space for your child as well.

There is a very large, shared kitchen for you to cook your own meals with your own space to store food. Bathrooms are warm and practical and there is a laundry on site.

There is a large dining area with high chairs for babies and a lovely comfortable lounge.

There are toys for the children to share and a garden with plenty of activities.

The Resident Manager is there to assist with liaison across outside agencies.

COULD CAUSEWAY BE YOUR NEXT HOME?

Women are referred to Causeway by either a Doctor, Health Visitor, Social Security, The Women's Refuge, Children's Services, a Social Worker or other agency.

You will need to speak with one of these people about Causeway.

When we receive a referral we will invite you to Causeway to look around and to meet the Manager to discuss your needs. Together you will then decide if Causeway is right for you.

Rooms may be available immediately, but sometimes you may need to wait a while.

HOUSE RULES

These will be explained to you before you accept a room.

We insist you respect and are sensitive to other residents.

We expect you to take care of the building, furniture and equipment and to keep it clean and tidy.

No men are allowed on the premises at any time.
